## WE CREATE SOLUTIONS INSTEAD OF FULFILLING SPACES

We seize this opportunity to introduce ourselves as a furniture manufacturer company issued in 1997 specialists in interior design and high quality furniture, which by admission of several importers have proved to be very highly desired & strongly marketable products.

With our distinguished qualifications as well as recognized furniture designs we are sure that our product will prove to be impressive. The Fine Arts group in Blue Print is holders of the Interior Decoration Accreditation by the U.S.A. Scranton Pennsylvania. We would also like to add that after establishing ourselves as relatively competitive in the international markets, we are now looking forward to expand our customers as well as diversifying our production line into producing modern, contemporary and classic furniture.

Regards,  
H. Issa  
Executive G. Manager
